25 Cts. for Perfect Musical Outfit EXTRAORDINARY BARGAIN. Almost every household in the United States has some kind of musical instrument, from the plain Melodeon to the expensive Grand Piano. Not one in a thousand persons ever become adepts in the art of Music, which even Mendelssohn and Mozart could not become masters of technically. But Buckner's Musical Chart does away with the necessity of becoming proficient in the art. It is the result of years of intense application, by a Leading Professor, and is a thorough though simple, self-instructor for Melodeon, Piano, or Organ. A child (without the aid of a teacher) can learn in a few hours to play any of these instruments as easily as if it had gone through months of instruction and hard practice. It is a grand invention and saves hundreds of dollars to any person lucky enough to possess one. If you already have the rudiments of music, this will aid you in mastering the whole art; if not, you can go right ahead, and learn all, easily and perfectly. Have you no musical instrument on which to practice? A few minutes each day as some friends reside will make you perfect, so that you can play anywhere in response to calls. The highest class of Professors of Music unite in saying that Buckner's Music Chart leads anything of its kind. Heretofore the Chart has never been sold for less than \$1.00, but now, that we have secured the sale of the genuine, we have resolved to send the Chart for Twenty-Five Cents and also, to send 24 Pieces of Beautiful Music, vocal and instrumental. Music lovers have never had such bargains offered. Songs, Mazourkas, Quadrilles, etc., words and music. Stop and think! 24 Complete Pieces of Music, in addition to Buckner's Musical Chart, all for ONLY 25 CENTS. This is no catchpenny announcement. Our home is among the staunchest in New York City—having a well earned reputation to sustain. Our neighbors in the best part of the city, know us, for we have been among them for years. The leading Newspaper and the great Commercial Agencies all know us, and speak in good terms of us. 25 cents sent to us will insure your receiving by return mail, postage free, One Buckner's Chart, and 24 Pieces of Popular Music. If you are not entirely satisfied, we will return the money. Will send Three Charts and Three Sets of Music for Sixty Cents. 1 ct. and 2 ct. postage stamps taken. 48 page illustrated catalogue of Organettes, Violins, Accordeons, Magic Lanterns, etc. sent free.
