

THE Value of School Books
discarded each year will more
 than pay for the

Holden Book Covers

These Covers are made of an Unfinished Leatherette
 Material

Waterproof Wears Like Leather Germproof

Reinforces the entire book, Protects the bindings
 and Increases the lives of the books from 60% to
 100%.

These Covers Overcome the chief objection to
 the Free Book Law, as the books can be transferred
 from one pupil to another In Fresh, Clean, Sanitary
 Covers.

The Holden Self Binders, "T" Binders and
 Transparent Paper will Save from \$10 to \$15 a
 year in each schoolroom If Each Teacher's Desk is
 supplied so that Instant Repairs can be made as soon
 as a binding is broken, leaf loosened or torn.
