Put a "BT" Sling Car in Your Barn

The largest load can be handled in two or three lifts with the BT Sling Car, and it is a pleasure to lift any load with it. BT Sling Cars clean the rack clean.

The BT Sling Car never injures the ropes. Any sized rope, 3/4, 1, or 1 1/2, may be used in it. It has the largest draft wheel and puts the easiest load in the eye so that the draft is lighter than with any other car.

BT Sling Cars are made of the best Manitoba iron and always trip easily.

The BT Sling Car is guaranteed to carry three thousand pounds, with the rafters three feet apart. No other hay truck will carry this load.

The BT Sling Car will work with a fork without change. THE BT SLING OUTFIT IS BUILT FOR HEAVY WORK. It is the one to buy. Write today for our catalogue. The BT Line also includes Steel Shells and Manure, Feed and Litter Carriers.

BEATTY BROS., Brandon, Man.
