Our

25ct.

Tea.

It's as good as we say it is. Maybe better than you think it is.

Just one thing against it.

The price is too low.

It keeps people, who are tea particular, from trying it.

Our request: Will you be prudent and economical, and try this 25ct Tea of ours?

One little sip of the brewed beverage will do more arguing than a column of talk.

Our other Teas at other prices are also considered to be of more than average merit.
