CHILDREN'S AID SOCIETY.

A public meeting in the interest of the Children's Aid Society was held on Monday evening with his Honor, Mr. Barclay Webster in the chair. Various citizens spoke of the good work done by the Society thru Mr. Herbert Stairs, who has devoted much of his time and money to its interests for so many years.

It is not generally known what the Children's Aid Society is. Its objects are to, Protect children from cruelty. Care for friendless and destitute children. Teach neglectful parents their duties.

Provide suitable homes for such as may require them. It operates under the "Children's Protection Act 1912" and in conjunction with Superintendent Blois.

This society can and has accomplished much good but its work and scope has been to some extent cramped for lack of money and active support. Mr. Stairs, out of his own pockets has year by year paid most of the expenses of the local Society. It was felt by the meeting that Kentville, which has benefited considerably by his efforts, should contribute more than it has in the past. To this end the following were appointed to collect this years dues and to bring new members into the Society:—
 Millbrook East, Mrs. McBride
 Klondyke and Court Yard, Mrs. Morash.
 Millbrook to Mr. T. P. Calkins, Mrs. W. W. Rockwell.
