

Shredded Wheat Biscuits

Consist of the entire wheat grain, made light and short by shredding and thorough cooking.

It is easily digested and especially beneficial for those who suffer from indigestion.

It contains all the food properties necessary for thorough nourishment. As a breakfast food it is one of the most popular, but it may be used in many other ways also—15c a package.

H. Malcolmson

Golden Opportunity

To buy rings of gold is now presented. I am showing the largest assortment of rings, twin, three stone, five stone and cluster DIAMOND and other rings ever shown in Chatham, and the prices are really the lowest that has ever been offered. There is something about my rings that brings forth exclamations of admiration from all who see them. I want everyone who likes looking at really pretty things to come and see mine, there is no obligation to buy, but should you wish to do so my prices will make it easy for you.
