Appointment, Etc.

A correspondent in Chatham under date of January 23rd, sends the following :—I understand that Kenneth McLellan who was named as the successor to supercede the present incumbent of the Escuminiac Light House, has got his official papers to be filled up in connection with his new duties.

It appears the Marine department has added to his duties the Meteorological and signal station, so as to have all the marine matters under one head, his duty will now include, the Fogalarm, Light House, Meteorological, and Flag signal, his salary will be advanced $50.00 in all $750.00 per annum.

This leaves Mr. Phillips with only the Telegraph office, Post office, and Fishery Bureau ; Salaries of these three only amount to $77.00, he was receiving $150.000 per year for the two others, the govt saving $100.00 by the change.

Mr. McLellan received for fogalarm and Light House as salary $700.00
New additions, 50.00

$750.00

Which with, Coal, Wood, Oil, Soap, Flannel, Brooms, Scrub brushes, Cottons, house rent, will make his office worth in all $100.00 per annum.

Mr. McLellan is a smart young man, and a good practical engineer, the appointment will be a good one.

The new Inspector visited Chatham today, the guilty ones, had all their bars and closets cleaned out of that filth the ardent, he has lots of work if he will do it, the Council should have made two Inspectors with salaries of $200 00 each and half the fines, with districts dividing at Douglastown west of the quarry.

Great Run of Tommy Cods.

An unusual sight was witnessed on the Renous River a short time ago, just after the freshet drove the ice out of the river. The river appeared full of fish on their way up the river to spawn it is supposed, the water being alive with them, so much so that some were forced ashore. Several barrels were scooped out, the fishermen, we are told, not knowing what fish they were and thinking them to be codfish.

The smelt fishermen say that there is a few weeks in January every year when no Tom cods are caught, prior to which they are caught full of spawn. They disappear for some three or four weeks when the fish are again caught in the smelt nets but they have spawned during the interval. Previously it was not known where they went to as the rivers being frozen over no such observation could be made as during the unusual freshet of several weeks ago. It now seems probable that they proceed up river to spawn and afterwards pass down river seaward.

The Warden's Dinner.

Upon Warden Robinson's invitation some fifty guests assembled at the Waverley on Wednesday evening last, and a most enjoyable time was spent by those present. The usual round of toasts and speeches were presented. The Hon. D. McLellan was present as an invited guest.

Concert and Social.

The concert and social dance in the Masonic Hall, Newcastle, on Thursday evening last, under the auspices of the Newcastle Driving Park Association is said to have been a most enjoyable affair by those who were present. The following programme was carried out : —Opening Chorus — "Hail Smiling Morn,"; Solo—by Mrs. John Miller; duet—by Miss Elliott and Miss Miller; recitation—Mrs. John Robinson. Jr.; solo—Msss Elliott; chorus—See our Oars with Feathered Spray; duet—Miss Mary and Mr. John Russell; solo—Mrs. John Miller; the whole concluded with reading and tableaux. Mrs. C. Sargeant played the piano accompaniments.

Then the seats were cleared from the centre of the hall and dancing was proceeded with and kept up till two o'clock. At mid-night refreshments were handed round, and all went away well satisfied with the evening's proceedings. Another dance was announced for last evening.

Burned Out.

The house on the Chaplin Island road occupied by the Street family, was totally destroyed by fire on Saturday morning, Jan. 16th. Nothing was saved, their grain, which was stored in the outside kitchen, and their vegetables in the cellar were also destroyed. The family consists of three persons, father, son and daughter, and they are left destitute. The son got up early and started a fire in the stove and then went out and in a short time the building was in a blaze. It is thought the fire communicated to some clothes hanging to dry near the stove and these set fire to the laths, (the house, a new one, no being plastered.) The father was slightly burned in getting out of the burning building.

NEW DISCOVERY by ACCIDENT

In compounding a solution a part was accidently spilled on the hand and on washing afterward it was discovered that the hair was completely removed. We at once put this wonderful preparation, on the market and so great has been the demand that we are now introducing it throughout the world under the name of **Queen's Anti-Hairine, IT IS PERFECTLY HARMLESS AND SO SIMPLE ANY CHILD CAN USE IT.**

Lay the hair over and apply the mixture for a few minutes, and the hair disappears as if by magic without the slightest pain or injury when applied or ever afterward. It is unlike any other preparation ever used for a like purpose. Thousands of **LADIES** who have been annoyed with hair on their **FACE, NECK and ARMS** attest its merits.

GENTLEMEN who do not appreciate a beard or hair on their neck, find a priceless boon in **Queen's Anti-Hairine** which does away with Shaving, by rendering its future growth an utter impossibility.

Price of Queen's Anti-Hairine $1. per bottle, sent in safety mailing boxes, postage paid by us (securely sealed from observation). Send money or stamps by letter with full address written plainly. Correspondence strictly confidential. This advertisement is honest and straight forward in every word it contains. We invite you to deal with us and you will find everything as represented. Cut this out and send to-day. Address **QUEEN CHEMICAL CO., 174 Race Street, CINCINNATI, O.** You can register your letter at any Post Office to insure its safe delivery. **We will pay $500 for any case of failure or slightest injury to any purchaser. Every bottle guaranteed.**

SPECIAL—To ladies who introduce and sell among their friends 25 Bottles of Queen's Anti-Hairine, we will present with a **SILK DRESS, 15 yards best silk. Extra Large Bottle and samples** of silk to select from sent with order. Good Salary or Commission to Agents.

To Our Subscribers.

A large number of persons are in debted to us for subscriptions, as well as for advertising and job work, but more especially the former, and we should be pleased to have the same settled forthwith, It takes cash to run a newspaper and when so many of our subscribers let their accounts run for years without payment it is difficult to keep things moving. We have always been unwilling to place accounts in the hands of a collecting justice, hoping, apparently against hope, that the delinquents would honestly pay their just debts, but we have been too sanguine and now come to the conclusion to force payment of all amounts due.

THE UNION ADVOCATE has been reduced in price to ONE DOLLAR per year strictly in advance, and it will be to the interest of our subscribers to pay up their arrears and get the paper at the reduced price, and if they are put to legal expenses in collecting through a justice of the peace the fault will be theirs not ours. It is not honest to expect and receive the property of another without paying for it, and we hope all indebted to us will prove they have been thoughtless rather than dishonest by paying up the amount of their indebtedness at once.

It was Ben Johnson, we believe, who, when asked Mallock's question, 'Is life worth living?' replied, 'That depends on the liver.' And Ben Johnson doubtless saw the double point to the pun. The liver active—quick—life rosy, everything bright, mountains of trouble melt like mountains of snow. The liver sluggish—life dull, everything blue, molehills of worry rise into mountains of anxiety, and as a result—sick headache, dizziness, constipation. Two ways are open. Cure permanently, or relieve temporarily. Take a pill and suffer, or take a pill and get well. Shock the system by an over dose, or coax it by a mild, pleasant way.

Dr. Pierce's Pleasant Pellets are the mild means. They work effectively, without pain, and leave the system strong. One, little, sugar-coated pellet is enough, although a whole vial costs but 25 cents.

Mild, gentle, soothing and healing is Dr. Sage's Catarrh Remedy. Only 50 cents by druggists.

New Rector.

Rev. Wm. Baylee, the new rector for the parishes of Derby and Blackville commenced his duties on Sunday, January 17th, by preaching in St Peter's Church, Derby.

WHEN King James the first wrote his 'counterblast to tobacco' the royal pedant knew nothing of the 'Myrtle Navy.' If he had, instead of wasting his brains over his curious production, he would have filled his royal pipe with it, and would have taken a royal smoke, he would then have been prepared to admit that with regard to the injurious effects of tobacco, it all depended on what tobacco you smoked.
