

has been fired at the Senate because of the failure of the proposition to have the government pay the sum of \$5,000 to the families of the clerks killed in the Ford's Theatre disaster. But it was the House, and the House only, that stood in the way of the appropriation for the relief of way of the appropriation for the relief of the victims of the falling floors of the Re-cord and Pension Office—a disaster which shocked the whole country over a year ago. A committee of the Senate investigated carefully into the accident and reached a conclusion concerning the government's responsibility, but the House was unwilling to accept the findings of the Senate committee and the result will be a great and unjust delay. It is confidently expected that Mr. Cleveland's official signature will be added to the business boom this week.

Show is not done, and has not been done for some years past. The law shows that any one residing in any road district one month prior to the assessment shall pay the sum of \$1.50. Then in regard to property tax any person whose va'uation is from \$100 to \$400 is taxed 50 cents, amounting in all to \$2.00 or four days' labour. This far the law is correctly carried out, but before another day's labour can be added his valuation must increase \$800 amounting in all to \$1200;
