The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address E. J. Cheney & Co., Toledo, O.

REV. T. H. CUTHBERT

Northumberland County mourns the loss of an earnest Christian gentleman, who passed away on Tuesday last in the person of Rev. T. H. Cuthbert, rector of the English Church of Derby and Blackville. Returning Tuesday night from a meeting in Blackville, he walked across the river from Chelmsford, and reached his house in apparently good health. But while hanging up his coat he suddenly expired. Mrs. Cuthbert, who was Miss Estella S. Hill of Guelph, Ont., and a descendant of the English Church of Derby and Blackville, where he remained till 1900 when he came to Newcastle. Here he was rector seven years. Then after a few months visit in England, he took charge of the Derby Blackville field, where, as in Newcastle, he was very successful and popular, and much esteemed by all denominations. In politics he was an ardent radical and much interested in Temperance and Moral reform. The funeral took place in St. Peter's Church, Derby, on Friday.
