J. H. BROWN, Man. Ed.

THE TRUE SIGNIFICANCE

(By Rev. Wm. Harrison, D .D.) The bright and blessed burden which the Christmas celebration unpacks before an attentive and dispacks before an attentive and disit was possible to amass such fabuthe Recruiting Committee, and he incerning world, is the fact that the
lous sums. Premier Asquith, in one
vited the chairman to address the
for this request. Infinite and Unconditioned stoops to of his speeches, remarked that the war against Napoleon cost the British companied by Mr. D. J. Bukcley. Henry Copp. we may know Him, whom to know six life, rare, r'ch, abundant and enduring. This is beyond all other considerations, the fact which intests the Christmas season with the destruction of cities and villages.

We may know Him, whom to know saint in \$5,000,000 a week. The pressideration is beyond all other the war no consideration is made of the war no consideration is made of the destruction of cities and villages.

Companied by Mr. D. J. Bukcley. Spoiled (marked for large meeting of the Recruiting Committee recently held, Mr. Davidson, and J. J. Galliah was declared appointed to approach the Town and County Councils re funds to defray the destruction of cities and villages. supreme and surpassing interest and which constitutes the crowning and amazing fact of Christianity and Christendom.

The leasure fact of Christianity and Christianity and Christendom.

The leasure fact of Christianity and Chri

word which declares God is Christ.
Christlikeness is what God is. God is essentially and eternally Christlike. The revelation of God in Christ has been the pole-star of the modern world and has been, and is and will continue to be the guiding and complicated life and history. It more of her financial resources than America did in the four years of something must be paid for travelling tion several years ago, and up till set to the lowest possible point. But very late'y the Scott Act Inspector something must be paid for travelling that reported monthly. imparted a new impulse to the world's decaying life and the day after Christ's advent was a new day in the annals of the race. It was not the same world the day after that the same world the country in the same world the day after that the same world the country in the country i imparted a new impulse to the the annuls of the race. It was not the same world the day after that the world. France's outlay is protected the mind of some the fairest way was to get all from the county, since the portionately somewhat smaller than to get all from the county, since the campaign is for the whole county. Red Cross, Patriotic funds, etc., had a changed world which that birth in
Bethlehem had accomplished. A new
are was fixed and no power of time's
pittless years and no change, howpittless years and no change, howpittless years and no change. Howpittless years and no change how ever, great or tragic, could for a single day eliminate that boundary line between the old and new. And so the matchless, winsome story never heightened its charm and stamped it indelibly upon the mind and heart only in times of page, but also and the mind and heart only in times of page, but also and the mind and heart only in times of page, but also and the matchless are satisfied that North-umberland County would do this, and the matchless winsome story never heightened its charm and stamped it indelibly upon the mind and heart only in times of page, but also and that it was unnecessary for him to add anything. The request would commend itself to each Austrian. \$550: to each Russian, \$250.

The County County would do this, and the to county would be met by a joint Newcastle—Chatham County. The suggestion was a good one. It was well for both council and public to know monthly what the Inspector was doing.

The Mayor said that it was unnecessary for him to add anything. The request would commend itself to know monthly what the Inspector was doing.

The Mayor said that it was unnecessary for him to add anything. The request would commend itself to know monthly what the Inspector was doing.

The Mayor said that North-umberland County would do this, and interest the county county would be met by a joint Newcastle—Chatham County. The suggestion was a good one. It was well for both council and public to know monthly what the Inspector was doing.

The County County County would do this, and the property the motion. The suggestion was a good one. It was well for both council and public to know monthly what the Inspector was doing.

The County county would do this, and the met by some as a reason for dismissal.

Ald Doyle supported the motion. The suggestion was a good one. It was well for both council and public to know monthly what the Inspector of the motion and substitute themes are a casen for dismissal.

The County County would do this, and the some the property was a reason for dismissal.

Ald Doyle supported t it indelfbly upon the mind and heart of a struggling but advancing world.

Some one has said that on that first Christmas morning a few poor Syrian Shepherds were the only ones who and best join with the humblest to pay tribute to the world's greatest born—the Redeemer and Saviour of men. Of all the discoveries and disclosures which have astonished man.

The the world certainty can, and it is the world certainty can, and it is silver bullets" are really the deciding factor of the war, as is universally believed, the Entente Allies must be victorious. Proportionate-losures which have astonished man.

Mr. McCurdy replied that that officer's salary, if any, would come from the Dominion Government.

Ald. Ritchie stid that the Recruiting of his compliance or otherwise before Dec. 27th, 1915.

Ald. Hayward said that the General Act provides that the Police Magistrate report at the end of each world in grace in writing of his compliance or otherwise before Dec. 27th, 1915.

Ald. Hayward said that the Police Magistrate report at the end of each world in grace in writing of his compliance or otherwise before Dec. 27th, 1915.

Ald. Hayward said that the Police Magistrate report at the end of each world in grace in writing of his compliance or otherwise before Dec. 27th, 1915.

Ald. Hayward said that the Police Magistrate report at the end of each world in grace in writing of his compliance or otherwise before Dec. 27th, 1915.

Ald. Hayward said that that officer is alary, if any, would come from the Dominion Government.

Ald. Hayward said that the Police Magistrate report at the end of each world in grace is already and further requested that the Police Magistrate report at the end of each world in grace is already and successful the Police Magistrate report at the end of each world in grace is already and successful the Police Magistrate report at the end of each world in grace is already and successful the Police Magistrate report at the end of each world in grace is already and successful the Police Magistrate report at the end of each world in grace born—the Redeemer and Saviour of men. Of all the discoveries and disclosures which have astonished man kind this unveiling of the unseen in the human personality of Jesus laims the palm and crown of all. On the sixth of May, 1883, there gathered on a small and barren coral reef of the Southern Pacific, an assemblage of the most distinguished astronomers from the chief cities of Christendom. To reach that isolated spot they had spared no expensed spot they had spared no expense displayed to the resources, when we take the correct the source of the southern pacific and the correct the source of the southern Pacific, and the correct the source of the world, can in any event main financially all the Russian armitain financially all the Russian a what reason? For five minutes be inexhaustible. and twenty-three seconds, should the day be cloudless, they hoped to look upon a total eclipse of the sun. The power of human resolve and heroic However seriously the members D. & J. Ritchie ed in their attempt, by telescope and spectroscope and hite photographic else takes them for anything else Geo Stables The camera perpetuated the obser- Allies will not discuss peace at the
