MANY COMPLAINTS
Many complaints were heard on Sunday about the disgraceful condition which our sidewalks were in after the snowstorm. It was almost impossible for pedestrians to wend their way to and from church. There is altogether too much apathy displayed.

TO SUBSCRIBERS
It is our intention to draw sight drafts on all subscribers who are in arrears to the Union Advocate. Before doing so, we would respectfully request those in arrears, to kindly send in the amount due by them at once. By so doing the necessity of drawing drafts will be eliminated. We have a large amount due us by subscribers, and have repeatedly asked for their remittances. Some have responded, others have not, and we are compelled to take the above measure. It costs money to run a newspaper, and since newsprint has advanced to such a high figure, we must collect our subscriptions which are in arrears.
When remitting kindly notes the date of the tag on your paper and not post up to 1920, compute from date of tag to corresponding month in 1920 at \$1.50 per year, and thus be sure that your remittance is correct.
