(Concluded.) Not if she loves me.' Don't you know whether she does or not?

'No Byrd 'I thought it was quite evident that day in June, when we were all together in Great Barrington.'

Yes, but that is three months go. She has been to Saratoga since, and to Mount Desert and Newport. She has had the homage of hundreds, even had an offer from an English peer-or so the papers say. Do you think her likely to remain unchanged by such marked and continuous adulation?'

The detective looked embarrasse but answered him quite gravely: 'If she is the woman you believe her to be, nothing would be likely

to change her. But-' He hesitated so long, that the artist, who really experienced certain relief in making these confidences, felt irritated, and finally asked:
