#### German Money Souveniers.

Lee Day, of "Ours," who took part in the memorable battle of Steenbeke, on October 9th last, has sent his father, Mr. John Day, of York Street, interesting souvenirs in the nature of German paper money, namely, two No. 5 marks and two No. 1 marks (a mark is equivalent to about 24 cents). They were evidently taken from a German. Leo left here with the First Newfoundland Contingent and, we understand, participated in every heavy engagement with "Ours." Although wounded a couple of times so far he has pulled through all right. He has a brother, Eugene, who also left here with the First Newfoundland Contingent.

# A New Thrill For Blase Motorists

Driving a Willys-Knight is a greater enjoyment than the novelty of your first motor

It registers an altogether new and different motoring experience.

While many engines perform well when new, the Willys-Knight retains its maximum efficiency, in fact grows better with use.

Can you conceive of a greater boon? It explains why the passive tolerance of many motorists has been changed into active enthusiasm by the Willys-Knight.

One veteran motorist says his car glides as smoothly and evenly as though there were a vacuum in front of the radiator instead of the powerful and faithful Willys-
