Proof Positive!

The best proof that we have been satisfying our clients rests with the disposal of our Industrial Shures. We got these as a special favor to market during the Fall and Winter months, and our clients simply grabbed them up. We had a limited number only, but only 650 now remain from which our reservations must be filled.

WE HAVE ABOUT 400 TO OFFER TO FIRST-COMERS. Investors don't often get a chance to make a 15 per cent. investment in a SAFE growing company that has FOUR TIMES some intelligent questions and then bought the shares. HOW MANY DO YOU WANT OUT OF THE REMAINING 400?
