Peace Conference Likely Close To-day.

Big Storm and Loss of Life Reported By Boston Fishery Fleet.

AGAINST LARGE ARMY.

WASHINGTON, Oct. 31. Disagreeing with the War Department recommendation for a permanent army of 600,000 men, Gen. Pershing to-day told a joint meeting of the Senate and House Military Committees that he thought that number could be placed at an outside figure of 275,000 to 300,000 and possibly less. The cost of maintaining a large army in his opinion would make it impracticable to set the figure any higher. The General said the regular army should be sufficient to protect the nation against a sudden attack and to meet America's international obligations both on the American continent and elsewhere and that this should be backed by a trained citizen reserve.

FISHING GROUND SWEEP.

BOSTON, Oct. 31. Vessels fishing out of this port lost many of their men when the squall swept over the fishing grounds last Tuesday. Crews returning here to-day told how vessel after vessel from which men were cut off while hauling trawls. The schr. Reading reported that she had lost three of sixteen of her men in a squall and fog. Three of these men rowed eight miles to safety at Nahant and six others were reported picked up by another vessel. This Ethel B. Penney came in the harbor with her flag at half mast for three of the crew who strayed away. The Athens is reported to have lost one man and Elk two.

REPORT UNFOUNDED.

LONDON, Oct. 31. Early Morning. There was no confirmation of the reported evacuation of Catbina and according to the view of the War Office the report is unfounded.

INJUNCTIONS SOUGHT.

WASHINGTON, Oct. 31. Injunctions restraining the officers of the United Mine Workers of America from conspiracy to violate the Food and Fuel Control Act, will be sought by the Government to-day at Indianapolis it was said at the White House.

ELECTION IN FIUME.

FIUME, Oct. 31. Gabriele D'Annunzio has issued a proclamation to the city of Fiume, fixing November sixteenth as the date for the election of a Deputy representing Fiume in the Italian Chamber of Deputies. The D'Annunzio bureau of information announces that "Commander Luigi Rizzo, of the Italian

navy will be the candidate." Commander Rizzo will be remembered as the Naval officer whose daring exploit resulted in the sinking of two Austrian battleships off the Dalmatian Coast. He is now Commander-in-Chief of the D'Annunzio sea forces.

THE CLOSE OF THE PEACE CONFERENCE.

PARIS, Oct. 31. The end of November may see the close of the Peace Conference which has negotiated the Peace Treaties with Germany and Austria and has carried the negotiations with Bulgaria well towards completion. Unless the conference can speedily reach an agreement with Roumania and compel it to discontinue its interference in Hungarian affairs, there seems little chance that a Peace Treaty can be negotiated with Hungary at present. The Conference will probably close without making the Treaty.

WORKLESS SOLDIERS TO GO IN CAMP.

LONDON, Oct. 30. The Canadian Government will probably receive representation soon urging the opening of a camp here for a very limited period for soldiers who took their discharge and now find themselves workless. It will also be represented that although these men have now absolutely no legal claim for repatriation, it will be wiser to grant this concession. Before this is done, however, it is urged that some organization in Canada must be prepared to look after them on arrival, otherwise their condition in Canada will be as bad as it is here.

IRISH REPUBLICAN PARLIAMENT.

DUBLIN, Oct. 29. The Sinn Fein press bureau says the Irish Republican Parliament met in private session at the Mansion House Monday evening. There was a full attendance of members. It was announced that Irish trade representatives had been appointed, working in France, Italy, Switzerland and the Argentine, and that J. T. Fawcett had opened offices as Irish Consul General in New York City. The Press Bureau adds that the session lasted from 7 o'clock in the evening until one o'clock the following morning.

IRISH PARLIAMENT'S ACTIVITIES.

DUBLIN, Oct. 30. The meeting of the Sinn Fein Parliament last night was in direct defiance of the Government's proclamation. The people are interested to know what the Government will do about it. The meeting being illegal, the Irish papers are forbidden to mention it. A report circulated by the Sinn Feiners says that a National Inspector of Fisheries will be appointed, that a Civil Service scheme is being arranged to embrace all local officers; and also that National Arbitration Courts and Labor conciliation

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for the quick results. Really and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest becomes easier, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex (50 cents worth), into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 18 ounces—a family supply—for much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway Spruce extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

bodies will be formed. Estimates for the coming financial period, says the report, were laid before the house and the necessary votes of credit adopted. The six Sinn Fein members for Dublin have sent to the American Consul a copy of alleged instructions for searching the effects of American seamen. The letter says: "As these instructions constitute a hindrance to lawful trade of America with Ireland, we, the elected representatives of the City of Dublin, request that you transmit copies of them to your Government."

The grieving and the hurt of life are often hard to bear. And every hour of bitter strife is tinged with despair. There's much of pain and much of woe For every man to meet. Life's burdens weary us, but Oh, Its happy days are sweet.

Sometimes the dismal days seem long. Sometimes our hearts are sad; We wonder as we hear their ring What makes the robins glad. But when our skies grow blue once more

And we have dried our tears, When joy is dancing round the door, How bright the sun appears!

When enemies our path beset And we must bear their blows; When hate and envy make us fret The world seems filled with foes. Then we would shun the haunts of men

And go where striving ends, But life is all worth while again When we are with our friends.

Life's burdens oft are hard to bear But all its joys are sweet: Along the dreary lanes of care Men walk with lagging feet; They wince beneath the hurt and pain Which fate to all must give, But when the laughter rings again, How good it seems to live!
