

Stocks and Bonds!

Due to the impending strike in England, the general market shows signs of sluggishness, and investors who watch conditions carefully should make some very profitable deals.

Better decide early the lowest prices you will pay for bargain stocks and place your orders promptly to be sure of having them filled in the event of a downward tendency.

A Trust Company as Executor

A Trust Company as Executor affords the Estate for which it is acting all the advantages of the best private Executor with none of the weaknesses which are inseparable from individual Executorships.

In addition, there are many exclusive advantages possessed by a Trust Company which should be carefully considered by all intending Testators before appointing an Executor for the administration of their Estates.

If you are interested, communicate with the Officers of this Company and they will explain the matter fully to you.
