PRELIMINARY ANNUAL MEETING—JUNIOR FOOTBALL LEAGUE.

The preliminary annual meeting of the Newfoundland Junior Football League was held in the T.A. Armoury on Saturday night. Two applications for admission to the League were received from new teams, but these were forced to stand over until the Senior League is heard from regarding the use of St. George's Field. The matter of securing a cup received consideration and the executive were empowered to attend to this matter. The first cup competed for by the teams in his League, was presented by Hon. W. J. Higgins and Mr. C. E. Hunt, and was known as the Higgins-Hunt Trophy. The conditions governing the cup were that it should be won two years in succession or any three years, before becoming the property of any team. Last year the Holy Cross team won the Trophy for the second time in succession, thus becoming owners of it.

THE BOSTON MARATHON. Vic Macaulay Made Bold Bid For Honors.

In to-morrow's Sporting Columns we hope to publish for our readers an account of the Boston Marathon, which took place on Monday last from Ashland to Boston. The winner of the race was Charles F. (Chick) Mellon who beat out Clarence DeMar, the previous year's champion, by a scant 100 yards. The time was 2 hours 33 minutes 35 seconds, or nearly 40 minutes behind DeMar's record, set last year. Victor Macaulay, the Maritime Champion, started away and took the lead at the half way mark, but tumbled towards the end, and finished in 7th place. Silas McLellan, Noel, N.S., who came 2nd in the Halifax Herald Race last year, finished in 11th position.

The "Blades" have long been known as a formidable club, and were successful in winning the cup in 1899, 1902 and 1915. Led by W. Gillespie, the veteran Irish International, the Yorkshiremen are strong on the attack, Mercer and Sampsy making a fast right wing, while on the left the club is well served by Johnson and Tunstall, the latter being an English International. The defence including Cook, a member of the team which annexed the cup in 1915, is exceptionally strong. The Bramall Lane eleven has a great following.

The following are the records of the Clubs in the various rounds of this year's competition:

Club	Record
Sheffield United	5-0
Cardiff City	3-0
Everton (home)	1-0
West Bromwich A. (home)	2-0
Southampton (Chelsea)	2-0

G. N. Watson, of Nottingham refereed Saturday's game, and the one and only goal was scored by Tunstall.

United Schools Campaign

I have read with interest the bulletin issued by the United School Campaign Committee. The programme is large, but possible, for we believe it can be accomplished by a united effort and a willing co-operation. It will necessitate individual self-sacrifice, like all great undertakings; but sacrifice is one of the outstanding evidences of practical Christianity.

The children of to-day are our real assets, for they are the men and women of to-morrow. Thus their welfare, moral and mental, and physical, should be the first duty of the State, Church, parent and individual.

We may legislate wise laws, for moral reforms, civic advancement and business enterprises, but unless we develop the moral, mental and physical nature of our youth, such legislation will be in vain.

Now the home and the Church are responsible to a large extent for the growth of morals, and the youth's involuntary tendency to play, and exercise helps in a great measure to develop the physical. But it is to the schools of our city we must look for the proper awakening and development of the mind. Statistics have shown that the lack of education proves very often a hotbed for poverty and crime.

How do we find educational matters in our city? From reliable sources we learn that large numbers of our children have to be refused admittance to our elementary schools, and colleges, because of lack of accommodation. I speak now of the Methodist Schools. Such deplorable conditions should not exist, and it is up to us as citizens, to see that better and more commodious buildings are erected.

Let us see that we shirk no obligation, neglect no opportunity, overlook no privilege, which may prove a blessing to the present youth and future generation, and which will be an incentive for them to emulate. May our children have no cause to condemn us for want of interest and lack of foresight. Let us, then, as citizens, give the United Schools Campaign Council our earnest sympathy, support and service. Success is never attained without somebody paying the price. We have had to pay a high price, as a nation, for our constitutional and civic liberty, and still have to do so in the present Educational emergency. But, notwithstanding the loss of the Methodist College, and the enormity of the undertaking, we feel confident, that by united individual effort and support, the goal will be reached.

Dr. O'Reilly Returning to St. John's

We understand that Dr. J. B. O'Reilly, who has been specializing in eye, nose and throat treatment for the past eighteen months in Vienna, will resume practice in St. John's about the end of May. Dr. O'Reilly has been working with such notables as Prof. Hayek, in nose and throat and with Professors Meuman, Alexander and Ruller, in ear treatment. At present in London, he is working under such men as Sir John Herbert Parsons and Sir William Lester, at the London Royal Ophthalmia Hospital and with Sir Richard Cruise (Eye Surgeon to the King) and Dr. Brewerton, at the Royal Westminster Eye Hospital.
