Young Man in Montreal Charged With Creating Disturbance Acquitted.

Montreal, Que., Feb. 5.—John Bennett, a young man arrested a few days ago, charged with creating a disturbance in the Starland Moving Picture Show, was acquitted of the charge before Mr. Recorder Weir, Bennett is said to have disapproved of the acting of the stars in the show, and gave vent to his disapproved by several hisses.

Mr. Recorder Weir held that hissing did not constitute a disturbance, as it did not interfere with any of the other persons attending the show. Besides, the young man brought several witnesses to the court to prove he bore a good character.

The bureau of corporations, and the commerce of the bureau may call for special reports. Ten days after the declaration of any dividend, a financial statement, showing the amount of net earnings, must be filed with the commissioner of corporations.

At least a majority of the directors of the corporation are required at all times to be citizens of the United States and bona fide residents therein.
