

FINANCIAL AND COMMERCIAL

A SMALL MARKET

Fruit, Hay and Oats Comprised the Offerings Today.

The only offerings on the market today were fruit, hay and oats. The two latter were rather scarce. Ten loads of hay were up for sale, and the prices were the same as yesterday. Two loads of oats sold at \$1.20 per cwt.

The shipments of fruit received today were of a fair size, but the prices did not differ from those of yesterday. Peaches were the largest offering, although grapes are becoming more plentiful every day.

700 PUPILS ARE PLAYING IN TECUMSEH PARK TODAY

Annual Games of the London Collegiate Institute Are Being Held.

Led by the Seventh Regiment Band, about 700 pupils of the Collegiate Institute marched to Tecumseh Park about 2 o'clock this afternoon. At the park the annual field day program of sports will be run off, and with the weatherman at his best, the affair should be as big a success this year as in former years. The parade to the park was quite a commanding one. The purple and orange colors of the C. I. decorated every student in the procession, making a pretty spectacle. The clattering of numerous noise-making instruments added to the general hilarity of the occasion, and business along Dundas street was suspended for a few minutes, while the businessmen paused to take a peep. The program is a large one, and as the entry list is one of the largest in years, the contests should be interesting. A Rugby match between the St. Thomas and London Collegiates will be a feature of the afternoon.

FIFTY SCHOOL BOARDS AGAINST REGULATION

Hostility to the New Bilingual Regulations Is Spreading Throughout Province.

[Canadian Press.]
Ottawa, Oct. 4.—Upwards of fifty separate school boards in many Ontario municipalities, have now passed resolutions similar to that of the Ottawa separate school board, opposing the new bilingual regulations of the Ontario Government, according to a statement made by President C. S. O. Boudreau of the French-Canadian Educational Association of Ontario.

A meeting was held last night at St. Eugene, Ont., where such action was taken. In every case where resolutions are passed they are forwarded to the educational department.

Printed Requests Sent Out.

The association has adopted a method of facilitating such action. Printed requests that more French be taught in the schools are sent out to parents of school children attending. They are signed by them and then sent to the separate school boards. The latter when they receive a sufficient number of such requests act on them and forward them to the education department.

The movement has spread over the whole province now, said Mr. Boudreau. "We expect practically every separate school board in Ontario to join with us."

CAR BURGLARS KILL TO ESCAPE DETECTIVE

Deliberate Murder of a Man in the Railway Yards at East Buffalo.

[Canadian Press.]
Buffalo, N. Y., Oct. 4.—Howard E. Pelles, 28 years of age, of Cading, Pa., was murdered by car burglars in the railway yards at East Buffalo early today.

Belles and Roland Webber, also of Reading, were on their way to board a westbound freight train. They were passing a string of cars on a siding when a man jumped from an open car door, ordered them to throw up their hands. They obeyed.

"We had better kill them; they will get us going away," said the man with the gun.

One companion advised him not to shoot, saying the men did not appear to be railroad detectives.

"We'll take no chances," said the man with the revolver, and placing the muzzle close to Belles' breast, fired. The bullet lodged in his heart.

RECORD OF REGISTER AT CASTLE CARTER

A BATCH OF DRUNKS

P. M. Judd Had an Unusual Grist Before Him.

London's drunks and Indian listers are apparently on a fine "bust," as an unusual supply came before Police Magistrate Judd in the Carling street court this morning.

Several offenders who had not been in for several months were dealt with leniently, but when three who were up yesterday stood before the court, the police magistrate was not so lenient.

One man promised faithfully yesterday that he would go right back to work, but was again intoxicated before night. He was unable to pay a fine and was sent down for 21 days to the lock-up.

Another in the same predicament was treated in a like manner. A third, in court only a week ago, also went down.

An Indian offender went first to the Commercial Hotel bar yesterday and immediately afterward to the Clyde. The magistrate did not care to impose a ten-dollar fine in view of the fact that the man had a wife and seven children, but there was no other way out of it.

PERSONAL MENTION

Mrs. J. A. Simmons (formerly Miss S. Rutherford), and little daughter, of Saskatoon, are returning home today after spending the summer with Mrs. Simmons' sister Mrs. Wm. McDaniel, Mary street. Mrs. Simmons' mother, Mrs. Rutherford, is also going west to make her home with her son, Atwell W. Rutherford, of Moose Jaw.

BURIED AT BLYTH.

Elyth, Oct. 4.—The funeral of J. A. Dodds, of Moose Jaw, Presbyterian Church, was held yesterday at Blyth. Deceased was one of the town's leading businessmen, and all merchants closed their stores and attended the funeral. For twenty years Mr. Dodds was an elder of the Presbyterian Church, and the elders marched in a body.

BURIED AT INWOOD.

Inwood, Oct. 4.—The funeral of Louis Pesha, of Marine City, the victim of the recent automobile accident here, was held today from the family residence in Euphemia, and was very largely attended. A brother George, whose home is in Nebraska, arrived in time for the funeral.

MR. C. W. BARROWS DEAD AFTER A LONG ILLNESS

Well-Known Resident of East London Passed Away Yesterday at His Home.

The death of Mr. E. W. Barrows, son of the late Osborne Barrows, occurred yesterday at the family residence, 548 Hamilton road, after a year's illness. He was of a kind and friends-making disposition, and will be missed by many.

The late Mr. Barrows is survived by his widow, one son Herbert C. Barrows, 343 Hamilton road, and two daughters, Mrs. W. H. Kipp, of Delaware, and Mrs. J. H. Kipp, of Westminister.

Services will be conducted at the house Sunday, 1:30 by Rev. John Smith, of the Hamilton Road Presbyterian Church. Interment will be made at the Westwood Cemetery.

Mr. Barrows celebrated the fiftieth anniversary of his wedding last March.

LOCAL ITEMS

A London Case.

At Osgoode Hall, Toronto, yesterday, the sabbid estate case, of this city, came up. No. 232 Grey street, London, has become the property of Charlotte Curry, but her sister, Mary Smith, retains a life tenancy. Incidentally, repairs will be made by the former, to satisfy the municipality. Under the will of the late John Curry, Charlotte Curry didn't get the title until Mary Smith's death, and neither of the survivors were willing to repair the house under existing conditions. The other arrangement has been made at Osgoode Hall.

Mathews-Duncan.

A quiet wedding took place Thursday afternoon at the home of Mr. and Mrs. George Duncan, Trafalgar street, when their daughter, Miss Clementina, was united in marriage to Mr. Benjamin Mathews, of the Hamilton Road Presbyterian Church, officiated. The happy couple will reside in Port Huron.

Home From the West.

Mr. C. R. Carlton, who has recently returned from a trip through Western Canada and the United States, was in the city yesterday, and was the appearance of the prairie provinces. The wheat fields on the way from Winnipeg to Saskatoon were unsurpassed and bumper crop was expected in that district. When Mr. Carlton was in Saskatchewan, the oats were still green and would not be ready to harvest for a few weeks.

A Sacred Concert.

A concert of exceptional ability was given last evening by the choir of the First Congregational Church under the direction of Mr. Harold Nixon, the organist, assisted by Mr. Robert Cockburn. Unfortunately the storm clouds of the evening prevented many who were expected to be present. The program was excellent. The vocal numbers, was excellent. Miss Vivian, Mr. and Mrs. Robert Cockburn, Miss Mackenzie, Mr. F. Webster and Mr. J. Walker, graciously assisted. The program displayed artistic taste in its arrangement and was well balanced in its choral, quartette, duet and solo parts.
