4th and Indian Corps Advance Three-Quarters of Mile.

4,000-YARD FRONT

All Positions Taken by Soldiers of the Empire.

Aircraft Destroy the Enemy's Railroad Junctions at Courtrai.

(Canadian Press.) London, March 11.

4:40 p.m.—British forces in France advanced threequarters of a mile yesterday, capturing all the intervening positions of the enemy, according to an official announcement given out in London today. The text of the announcement

follows: "The Fourth and the Indian corps advanced yesterday on a front of 4,000 yards for roughly three quarters of a mile and captured all intervening hostile positions and trenches. The corps on the right and left of these two corps also were engaged. More than 700 prisoners were taken.

"British aircraft yesterday were active and succeeded in destroying the railroad junctions at Court-

Strong Protest To Germany Foreshadowed by Discussion in Official Circles.

FULL INQUIRY ORDERED

President Says On Its Result Future Action Will Depend.

[Canadian Press.]
Washington, March 11.—President
Wilson announces today that a "searching inquiry will be made" into the sink.

ing of the American sailing ship William P. Frye by the German auxiliary cruiser Prinz Eitel Friedrich. This statement was issued at House: "The President when asked regarding the sinking of the American sailing ship William P. Frye by the German auxili-

ary cruiser Prinz Eltel Friedrich, said 'A most searching inquiry will be made and whatever action is taken will be based upon the result of that inquiry." Strong Protest Likely. Discussion of the affair in official quarters was taken to foreshadow

strong protest to Germany against the sinking of the American vessel. The contention of the German com-nander that the American ship had contraband of war aboard, and, thereore, destruction was justified, has been never has been recognized by the United States as the only justification for such nction on the part of a belligerent.
Not Piracy.

The fact that the Prinz Eitel Friedrich was commanded by a German naval officer, under commission from the Ger-Sir Wilfrid's Speech Makes man Government, and the fact that no lives were lost when the Frye was sunt. criminal proceedings under the federa statutes, under a possible charge of piracy, and makes it a subject of diplo matic negotiations with the object of

gaining reparation for the owners and Damages To Be Asked. That the United States would ask for lamages and an explanation from the German Government was regarded as certain. Some officials thought the German Government would find itself compelled to repudiate the act of the Gernan captain or abandon the position taken by Germany in recent correspond-

ence with the United States on the sub garded as a certainty among the rank stuffs. permitted to make such repairs as
