

FIRST SHOWING OF NEW SPRING GOODS

We are indeed fortunate to make such an early display of New Spring Goods. We would advise early buying by those who would save money. Prices we are asking to-day are in most cases greatly below present cost.

New Dress Goods and Silks.
New Prints and Shirtings.
New Curtains and Scrims.
New Gingham and Muslins.
New Linens and Sheetings.
New Flannelettes and Cottons.
New Rugs and Linoleums.

A. BROWN & CO.

THE MINISTER OF FINANCE
REQUESTS
THE PEOPLE OF CANADA TO
BEGIN NOW
TO SAVE MONEY FOR THE
NEXT WAR LOAN

JAN. 9, 1917

DEPARTMENT OF FINANCE
OTTAWA

TO INVESTORS

THOSE WHO, FROM TIME TO TIME, HAVE FUNDS REQUIRING
INVESTMENT MAY PURCHASE
AT PAR

DOMINION OF CANADA DEBENTURE STOCK

IN SUMS OF \$500 OR ANY MULTIPLE THEREOF.

Principal repayable 1st October, 1919.

Interest payable half-yearly, 1st April and 1st October by cheque (free of exchange at any chartered Bank in Canada) at the rate of five per cent per annum from the date of purchase.

Holders of this stock will have the privilege of surrendering at par and accrued interest, as the equivalent of cash, in payment of any allotment made under any future war loan issue in Canada other than an issue of Treasury Bills or other like short date security.

Proceeds of this stock are for war purposes only.

A commission of one-quarter of one per cent will be allowed to recognized bond and stock brokers on allotments made in respect of applications for this stock which bear their stamp.

For application forms apply to the Deputy Minister of Finance, Ottawa.

DEPARTMENT OF FINANCE, OTTAWA,
OCTOBER 7th, 1916.

County Council Committee

Finance committee—Col. Kenward, A. Patterson, Wilson, Stokes, G. A. Annett, Morris and Sutherland.

Public Buildings—H. Dawson, McCallum, Jardine, H. Patterson, McLaren, Brodie and Tidball.

Roads and bridges—W. A. Annett and all the reserves of the townships.

Printing—A. Hobbs, Johnston, Evans, Boyle, White, Mara and Whitsitt.

Equalization—Thomas Simpson, McLaren, Boyle, C. O. Fairbank, Stokes, Gardiner, W. A. Annett.

Education—D. P. Shaw, Brodie, Morris

Jardine, Col. Kenward, Huey, Tidball, McCallum and A. Hobbs.
House of refuge—Warden J. B. Woodhall and John Huey.

Help for Asthma.—Neglect gives asthma a great advantage. The trouble, once it has secured a foothold, fastens its grip on the bronchial passage tenaciously. Dr. J. D. Kellogg's Asthma Remedy is daily curing cases of asthma of long standing. Years of suffering, however, might have been prevented had the remedy been used when the trouble was in its first stages. Do not neglect asthma, but use this preparation at once.

Officers of B. & A. Agricultural Society

Reader; Leslie Oke; D. L. Fisher; Geo. Silk; John Spearman; W. W. Taylor; Dugald McIntyre; John Hand; John McCallum; H. R. Sharpe; D. A. McIntyre; N. A. McLean; Joseph Tait; J. E. V. Atkins; John McKellar; Honorary Directors: Alfred Darvil; D. McKinley; D. J. McRachern; A. D. McLan.

Death of Mrs. Maurice Evans

(From the Prosser, Wash., Press.)
Wednesday, the third, witnessed the death of one of Prosser's noblest women. Margaret Evans, wife of Maurice Evans, who for the last twenty-three years has lived at Prosser and in the vicinity, was called to rest.

Mrs. Evans was born in Warwick, Ontario, June 8, 1859. She was married to Maurice Evans, popularly known as "Dad Evans," November 30, 1875, at Watford, Ontario. Her maiden name was Margaret Harper. Mrs. Evans, with her husband, moved from Ontario to Manitoba in 1882 and thereafter to Tacoma, where they lived until the spring of 1887 when they took up their abode in Yakima county. In 1891, Mr. and Mrs. Evans located a homestead north of Prosser, in the Rattlesnake country, where they acquired some 800 acres of land and later in 1896, moved to the City of Prosser, where Mr. and Mrs. Evans acquired that part of the City which now bears his name as Evans Addition and have lived there continuously until the present time.

Mrs. Evans was a woman of great love and devotion to her family and home—one of those beautiful characters that in a quiet way become so necessary and important in a community in which they live. Her absence will long be felt by a host of friends and neighbors who have known her so long and valued her counsel and friendship so highly.

She leaves to mourn their loss her devoted husband and eight children, nearly all of whom were at her bedside in her last moments.

Mrs. Evans was a member of the Congregational church, but during her residence in Prosser has actively supported and attended the Methodist church since it was established here.

Mrs. Evans became ill about a year ago and for some time it has been known that she was afflicted with cancer and that there was no hope for her recovery. Though her sufferings were terrible she bore them with great patience and made no complaint. With Christian fortitude she bore her cross in her great faith that her sufferings here would be but as a day, and that beyond was rest, and that she would find "peace and love which passeth all understanding."

Lambton County Corn Exhibition

This year's County Corn Show surpasses all previous years. Despite the fact of a most unfavorable season for corn growing and maturing of seed in 1916, the past Corn Show in Petrolia compared favorably with all previous Shows in number of exhibitors and total number of entries. Annual visitors all remarked of the steady advance in the quality of the corn on exhibit as is seen from year to year. The well filled racks of corn were a demonstration of the educative work of the past Shows and Conventions in the selection and curing of seed corn. The educational features of this year's Show, outside of the Convention, was an Exhibit from the Dominion Experimental Farm of models of farm buildings pertaining to all classes of stock and tables of comparisons of feed stuffs. The Dominion Livestock Poultry Exhibit paid its second visit to the Show this year, and this year attracted larger crowds than ever.

Mr. Bert Roadhouse, Deputy Minister of Agriculture, for Ontario, officially opened the Show on Wednesday evening. In his opening address he urged everyone to heed the Empire's call for increased production. On the platform on Wednesday evening were the members of the County Council, Warden Woodhall, Dr. Martyn, M. P. P. Major Fairbank, John Farrel and others, who took part in the opening and delivered short addresses.

On Thursday's Convention program were such speakers as C. F. Bailey, Assistant Deputy Minister of Agriculture, who gave an illustrated address on European Agriculture. Mr. R. Lees, M. A., Inspector of Public Schools for Peterboro County, gave two addresses on Rural School Consolidation, his evening address being illustrated by views. Mr. L. H. Newman, Secretary of the Canadian Seed Growers' Association, addressed the Corn Growers on Thursday afternoon on the production of seed corn. Mr. F. G. Hart, Director of the Co-operation and Markets Branch, Toronto, addressed the Lambton County Co-operative Association on the advance and extent of co-operative marketing in Ontario.

Lambton's Own, 149th Battalion Band visited the Corn Show on Wednesday and Thursday and livened the proceedings with many selections.

BROCK TOWNSHIP PRIZES

No More Parcels for War Prisoners

The director of the central prisoners of war committee reports that on account of congestion the present method cannot be continued and consequently the post master-general has announced that on and after February 1 no parcels containing foodstuffs or clothing can be received at any post office in Canada to be despatched to the address of a Canadian soldier who is a prisoner of war in Germany.

Money for the purpose of purchasing supplies may be sent, and such purchases will be made and all the

necessary arrangements carried out by the Canadian Red Cross Society at London.

PALE, FEEBLE GIRLS

Weakness Generally Comes On as Womanhood Approaches.

Girls upon the threshold of womanhood often drift into a decline in spite of all care and attention. How often one sees girls who have been strong and lively become suddenly weak, depressed, irritable and listless. It is the dawn of womanhood—a crisis in the life of every girl—and prompt measures should be taken to keep the blood pure and rich with the red tint of health. If the blood is not healthy at this critical stage the body is weakened and grave disorders follow. Dr. Williams' Pink Pills have saved thousands of young girls from what might have been lifelong invalidism or an early death. They are a blood-builder of unequalled richness, strengthening weak nerves and producing a liberal supply of red, healthy blood which every girl needs to sustain her strength. Dr. Williams' Pink Pills have proved their great value over and over again to young women whose health was failing. Miss A. Sternburg, Haileyburg Road, New Liskeard, Ont., says:—"I have much reason to be grateful to Dr. Williams' Pink Pills as they restored me to health, if, indeed, they did not save my life. In 1914 I began to feel run down, and the doctor who was called in said that mine was a bad case of anaemia. I lost flesh, always felt tired, and I got so nervous that I could scarcely hold a cup to take a drink. My heart would flutter alarmingly. The doctor did not seem to be able to help me at all and my family and friends all thought that I was in a decline and could not recover. I was in bed for some weeks when an aunt came to see me and urged that I try Dr. Williams' Pink Pills. My father got a supply, and by the time I had taken three boxes there was a noticeable improvement, and from that on I steadily progressed toward recovery. I continued using the pills for some time longer, and they restored me to my old time health and strength. I shall never cease to praise this medicine, and to urge all weak run down girls to give it a fair trial as I have proved in my own case their great merit."

Dr. Williams' Pink Pills are sold by all dealers in medicine, or you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A North Aldboro man is said to have placed a pair of runners where the front wheels of his Ford car should be and now finds he can plunge through snowdrifts without any difficulty and make better time.
