

How is it

THAT THE CHEESE AND BUTTER
MAKERS WHO USE . . .

RICE'S PURE SALT

Always get the HIGHEST market PRICE for their product? Simply because THEY USE salt that IS SALT—PROPERLY DRIED—and of NATURAL UNIFORM GRAIN, NOT salt that is full of impurities, half dried, full of lumps, dust, dirt, and foul odors. If you have never used RICE'S PURE SALT try it this year and note the increase at CREDIT your bank account.

FRUIT AND ORNAMENTAL Trees

Now is the time to decide what you
are going to plant, and where you
are going to get them.

Will it not be better to send direct to an old reliable Nursery and be sure of getting the varieties you want, free from San Jose Scale and diseases, than to buy of Travelling Agents who import trees often infected with these pests, and that you have no certainty of being what you want till they bear, and paying higher prices besides? Send for my catalogue, or send a list of your wants and see what I can do for you. Address,

A. M. SMITH,

Dominion Nurseries, St. Catharines, Ont.

TREES

Our Stock is as Good as the Best.

Having an unusually large stock of trees, vines bushes and plants, both fruit and ornamental, of our own growing, we are compelled to extend our trade, which has hitherto been chiefly confined to the Niagara District. Having no agents, we have no fancy prices to protect, and so offer at very low rates to be in touch with the times. Price list free on application.

Dealers' and Jobbers' orders packed with care and dispatched cheaper than elsewhere. Stock guaranteed free from San Jose Scale. Let us price your wants. We guarantee satisfaction. All Canadian-grown stock.
