Country Gentleman.

THE BEST OF THE
AGRICULTURAL WEEKLIES.

The COUNTRY GENTLEMAN is the leading journal of American Agriculture. In amount and practical value of contents, in extent and ability of correspondence, in quality of paper and style of publication, it occupies the FIRST RANK. It is believed to have no superior in either of the three chief divisions of

Farm Crops and Processes, Horticulture & Fruit Growing, Live Stock and Dairying, while it also includes all minor departments of rural interest, such as the Poultry Yard, Entomology, Bee-Keeping, Greenhouse and Grapery, Veterinary Replies, Farm Questions and Answers, Fireside Reading, Domestic Economy, and a summary of the News of the Week. Its MARKET REPORTS are unusually complete, and much attention is paid to the Prospects of the Crops, as throwing light upon one of the most important of all questions—*When to Buy and When to Sell.* It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of the term. a

A LIVE AGRICULTURAL NEWSPAPER.
