Jensen's Pepsin (both Crystal and Tablet form) is widely known, largely advertised and ready selling. It has long been the standard, because giving the best practical satisfaction, owing to intrinsic value and uniform quality. So far as the digestive power of Jensen's Pepsin is concerned, the many tests of it made by the highest authorities, and published extensively, prove its high power.

The ready solubility of Jensen's Crystal Pepsin perfectly adapts it for all liquid forms.

To each druggist carrying Jensen's Tablets in stock, we will mail, postpaid, upon request, one of our elegant advertising banners, representing a Swedish peasant girl.
