The Latest and Greatest Improvement in Parlour Organs.

Besides its famous Beethoven organs, the Daniel F. Beatty Organ Co., of Washington, N. J., is prepared to furnish the latest and greatest improvement in parlour organs. That this improvement should have been devised and have taken shape in the Orchestral Piano-Organ in the brief time that the company have assumed charge of and re-organized the Beatty establishment is ample proof of the vigorous enterprise of the new concern. The Orchestral Piano-Organ resembles in outward design the upright piano, which is now the favourite style of piano, having for use in parlours of ordinary dimensions superseded the square and grand. But it resembles the upright piano in something of far greater importance than outward appearance. For the company has, in the Orchestral Piano-Organ, constructed an organ with an action as light, easy and responsive to the touch as the action of a piano. In this respect, the Daniel F. Beatty Organ Co. leads the organ-builders of the world. Capable of developing as delicate a touch as the piano, it is equal to producing effects far greater in number and grander in quality. The light, elastic action, enables the player to play rippling arpeggios, quick runs, fantastic embellishments, with the greatest ease. A sonata, waltz, a complicated accompaniment to a song, can be performed with the same facility as on a piano. But its uses go further. You can sustain the notes, diminish or increase their volume at will, produce effects of magnificent sonority, enable your sonata, waltz, or other composition, to sound as if it were being played on an orchestra—in a word you will have an instrument which will answer all secular demands, and, at the same time, like the company's Beethoven organ, be unrivalled for the performance of religious music. Any one who knows how to play the piano can play this organ without further instruction. You have a key-board like a piano's—no stops to pull out or push in, and no complicated combinations to work over. The bellows are worked by pedals resembling those of a piano, and yield to the slightest pressure. In fact, the bellows' action is as responsive to the touch as the key-board action. There are a left and right knee swell. By simply working the bellows, without touching either swell, the player controls a solo set of reeds. A pressure of the left-knee swell puts on a right and left double coupler, which exactly doubles the power of the instrument. A slight pressure of the right-knee swell increases the sonority by opening a swell to the front set of reeds; a further pressure opens another full set of reeds, giving the player command of twelve full octaves. From this, it will be seen that the instrument is a marvel of compactness. It is, also, a marvel of cheapness. For the company's method of reaching the buyer directly, and thus saving an agent's commission to the purchaser, enables the Daniel F. Beatty Organ Company to offer this instrument at the seemingly suicidal price of \$95. There has been nothing like such an instrument at such a price in the history of music.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, the speedy and permanent cure of Consumption, Catarrh, Asthma, and all Throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149 Power's Block, Rochester, N. Y.

ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as fresh as a button. It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

BIRTHS, MARRIAGES, AND DEATHS.

NOT EXCEEDING FOUR LINES, 25 CENTS.

MARRIED.

On the 19th inst., at the residence of the bride's father, Spadina Avenue, Toronto, by Rev. John Smith, of Eskine Church, James Campbell, of Toronto, to Sarah, eldest daughter of Mr. J. W. Robertson, sr., and sister to J. S. and Chas. Robertson, of Whitby and Toronto.

On 19th inst., at St. Andrew's Church, Kingston, by the Rev. Professor Mowat, D.D., uncle of the groom, assisted by Rev. James Cumberland, M.A., Hew Ramsay Duff, M.D., of Newburgh, to Amy, youngest daughter of the late Maxwell W. Strange, Esq., of Kingston.

On the 17th inst., by the Rev. S. Houston, M.A., Jennie, eldest daughter of John Knox, to Mr. James A. Carroll, both of Kingston.

At Newark, N. J., by the Rev. Dr. Waters, at his residence, on Wednesday, Nov. 19th, Mr. D. N. McLeod, of the firm of D. N. McLeod & Co., Parkhill, Ont., to Miss Jennie B. Waters, eldest daughter of Mr. John Waters, M.P. for North Middlesex.
