

### Chronic

Catarrh destroys the sense of smell and taste, consumes the cartilages of the nose, and, unless properly treated, hastens its victim into consumption. It usually indicates a serofulous condition of the system, and should be treated, like chronic ulcers and eruptions, through the blood. The most obstinate and dangerous forms of this disagreeable disease

#### Can be

cured by taking Ayer's Sarsaparilla. I have always been more or less troubled with scrofula, but never seriously until the spring of 1882. At that time I took a severe cold in my head, which, notwithstanding all efforts to cure grew worse, and finally became a chronic catarrh. It was accompanied with terrible headaches, deafness, a continual coughing, and with great soreness of the lungs. My throat and stomach were so polluted with the mass of corruption from my head that I lost my appetite, dyspepsia, and emaciation totally unfitted me for business. I tried many of the so-called specialties for this disease, but obtained no relief until I commenced taking Ayer's Sarsaparilla. After using two bottles of this medicine, I noticed an improvement in my condition. When I had taken six bottles all traces of Catarrh disappeared, and my health was completely restored. A. B. Cornhill, Fairfield, Iowa.

For thoroughly eradicating the poison of Catarrh from the blood, take

### Ayer's Sarsaparilla.

It will restore health and vigor to decaying and diseased tissues, which everything else fails.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

### Catarrh

Is usually the result of a neglected "cold in the head," which causes an inflammation of the mucous membrane of the nose. Unless arrested, this inflammation produces Catarrh which, when chronic, becomes very offensive. It is impossible to be otherwise healthy, and, at the same time, afflicted with Catarrh. When promptly treated, this disease may be

#### Cured

by the use of Ayer's Sarsaparilla. I suffered, for years, from chronic Catarrh. My appetite was very poor, and I felt miserably. None of the remedies I took afforded me any relief, until I commenced using Ayer's Sarsaparilla, of which I have now taken five bottles. The Catarrh has disappeared, and I am growing strong and stout again; my appetite has returned, and my health is fully restored. — Susan L. W. Cook, 909 Albany street, Boston Highlands, Mass.

I was troubled with Catarrh, and all its attendant evils, for several years. I tried various remedies, and was treated by a number of physicians, but received no benefit until I commenced taking Ayer's Sarsaparilla. A few bottles of this medicine cured me of this troublesome complaint, and completely restored my health and strength. — Jesse Boggs, Holman's Mills, Albermarle, N. C.

If you would strengthen and invigorate your system more rapidly and surely than by any other medicine, use Ayer's Sarsaparilla.

It is the safest and most reliable of all blood purifiers. No other remedy is so effective in cases of chronic Catarrh.

Sold by all Druggists. Price \$1; six bottles, \$4.

### DONALD KENNEDY Of Roxbury, Mass., says

I have kept a Scrap Book for a good many years of letters received from patients; some are long, too long to publish, some are short, short and good. Rainy days I sit down and read them, and have learned a good deal about the human body from some poor, sickly woman, or overstrained man. Here is one of them. I call it a good letter:

TRANTON, TEXAS, Sept. 28, 1886. "To Kennedy of the Medical Discovery, Roxbury, Mass. I am so proud of my recovery as to express my feelings in thanks to you. The RHEUMATISM has made me four legged for six years. At last I have traded off two of them to Bell-Druggist—for four bottles Kennedy's Discovery. I am yours, gratefully and unsolicited, J. B. Ivy."
