ROBT. W. KING & CO.

Practical Engineers and Mechanical Experts

Present Office: 141 BAYLE STREET, MONTREAL

HAVING successfully completed the business for which we moved to Quebec, it is the intention of this firm to return to Ontario for the better convenience of its old customers and locate its head office in the City of Toronto about 1st of May next.

All business arrangements formed when we moved here are now cancelled and dissolved, and we wish it distinctly understood that we have now no connection with or interest in any woolen or knitting mill whatsoever, more than the friendly interest we have ever taken in the welfare of our friends and patrons, whom we have always striven to impartially serve, and of whom Ontario contains the larger number. Any accounts due this firm will be thankfully received at above address as heretofore, till notice of change in said address is given.

Yours respectfully,

ROBT. W. KING & CO.
