### IF COFFEE DIGESTS

All is well. About one person in three  
suffers some form of bodily ail that gradu-  
ally disappears when coffee is left off  
entirely.

Then "what to drink" is the question.  
Postum Food Coffee is the nearest ap-  
proach in taste (identical when carefully  
made), but instead of being a drug, it is  
the highest form of nourishment, fattening  
and strengthening babies, children and  
adults.

If you ever tried Postum and got a poor  
beverage, it was because you failed to boil  
it long enough to bring up the flavor.
