

Calvert's CARBOLIC Tooth Powder

can be as useful to you as it is to so many others who look carefully after their teeth. A trial sample

can be obtained by sending two-cent stamp for postage to F. C. Calvert & Co.,
349 Dorchester Street West Montreal.
Your chemist sells it in 15, 25 and 40 cent tins.

Children Teething.

Mothers should give only the well-known

Doctor Stedman's Teething Powders

as the many millions that are annually used constitute the best testimonials in their favor.

See the Trade Mark, a Gum Lancet on every packet and powder.

Refuse all not so distinguished.

Small Packets (9 Powders)

Large Packets (30 Powders)

Of Chemists and Druggists.

125 New North-road, London, England.
