Commercial Summary.

"A. R. Brown & Co.," a Montreal coal dealer
and general merchant, has assigned in trust to
Messrs. Wilson, Paterson & Co., the chief credi-
tors also of this city.

The liabilities of William Peters, the St. John
(N.B.) tanner, whose suspension was noticed
last week, are estimated at \$100,000, and it is
understood that the creditors are prepared to
accept an offer of compromise at 25c on the
dollar.

A HALIFAX despatch announces that attach-
ments have been issued against F. H. Baker,
who is extensively interested in lobster fac-
tories in different parts of the Province, and
is also publisher of the Halifax *Mayflower*, a
sheet issued fortnightly.

At the adjourned meeting in this city of Mr.
Alex. McGibbon's creditors on Saturday last,
the insolvent's offer of 40c on the dollar, unse-
cured, payable in three equal, quarterly instal-
ments, was unanimously accepted. All arrange-
ments are to be completed by the 1st February,
and the business will be continued as usual.

The Canadian export trade is increasing so
rapidly that the Allan Line Company are with-
drawing their steamers for the winter from
Boston, and running entirely from Halifax and
Portland. The only line from the "Hub"
hereafter will be a fortnightly one to Glasgow.

The Ontario Glass Burial Case Company of
Ridgetown, Ont., whose assignment was noticed
in a recent issue, has been succeeded by the
Ontario Casket Company. The former Com-
pany started business about two years ago with
a capital of \$25,000, of which sum some \$20,000
was in plant and machinery, etc. The capital
was afterwards increased to \$50,000, with \$30,-
500 paid up, but the Company has not succeeded,
hence the above new name.

A visitor to the North-west over the Canada
Pacific Railway, who has returned to this city,
states that the line will be finished through to
Algoma Mills and the Sault Ste. Marie by next
September. He also says that along the borders
of Lake Nipissing is found the finest land and
splendid timber, but that there is not a settler
along the whole of the lake side. This section
will doubtless be filled up as soon as facilities
are completed.
