PEACH BLOOM
THE CHIEF CHARM
OF A
REFINED WOMAN

is her complexion. Why have Pimples, Freckles spots or any blemish when Peach Bloom Skin Food will remove them all, and leave the skin transparent, soft and beautiful.

PEACH BLOOM contains nothing that can injure the skin. It is clear as water, and leaves no trace of the application one minute after use

PEACH BLOOM differs from any known preparation, in that it cleanses the pores of the skin from injurious accumulations, imparts health to the inner as well as to the outer cuticle, dissolving and removing Pimples, Blackheads, Liver Spots and Blemishes, and gradually brings about that transparent state of the skin that makes a perfect complexion.

PEACH BLOOM is in demand ahead of all cheap preparations, because it has merit, and because it produces the results we claim for it.

Alcohol is Deadly

Not only because teachers are thinking men and women, but on account of their occupation and surroundings they realize perhaps more fully and more forcibly than any other class of the community that alcohol is deadly not only in its personal but its hereditary effects. The many inquiries we have had from them for further information than we have been able to give in our advertisements, and the large number of them who have become patrons of this Company, have given us great satisfaction, and yet we are anxious for more inquiries and more insurance from members of the profession. Certainly our Company is the Company for all who are total abstainers. We shall as heretofore be glad to afford as far as possible all desired information to intending insurers.

Manual of Punctuation

AND SOME . . .
TYPOGRAPHICAL MATTERS . . .

DESIGNED FOR

Printers, Students, Teachers and Writers

BY **JAMES P. TAYLOR**

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one, or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.
