**THE HIGH SCHOOL
Drawing: Course.**

Authorized by the Minister of Education.

The Course is now complete:

- No. 1—FREEHAND,
- No. 2—PRACTICAL GEOMETRY.
- No. 3—LINEAR PERSPECTIVE,
- No. 4—OBJECT DRAWING,
- No. 5—INDUSTRIAL DESIGN.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series, covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.

Each book is in the direct line of the curriculum, and is authorized. The examinations in High School Drawing will be set from the authorized books.

PRICE, ONLY 15c. PER BOOK.

It is one of the best mediums to a successful business career. There is no better in Canada.

The opinion of our teacher, W. C. McCarter, late Principal of Port Lambton Public School, and now Commercial Master in International Business College, East Saginaw, Mich., says:—"After eight years teaching in public schools, I resolved to leave the profession and enter the business world. I visited several business colleges and finally decided to attend the Central Business College of Stratford. To say that I am satisfied would be expressing my opinion very mildly, for I honestly believe that this college is without an equal as a school for business training. It is the very best."
