Mercantile Summary.

THE Bell Telephone Company has decided to establish an exchange for the east suburban districts of Toronto, including Kew Beach, Balmy Beach, East Toronto, Norway, etc. This will bring about a considerable reduction in the price of telephones in that district.

REPORTS from Owen Sound say that there has been an exceptionally large cut of lumber this winter in the Georgian Bay district, owing to the favorable weather conditions. It is estimated at 550,000,000 feet, of which probably 85 per cent. will be marketed in the United States.

THE Southwestern Traction Company, of London, Ont., have sent a representative to England to arrange for the sale of their bonds, amounting to \$3,000,000. The company succeeded recently in securing franchises for fifty years from North Dorchester and West Oxford councils. Negotiations are now being carried on for the purchasing of the Ingersoll-Woodstock electric line.
