

*Chambers' Cyclopaedia says that the Lentil (Ervum Lens) is the basis, if not the whole substance, of Povalenta Arabica and E-valenta, so much advertised as food for dyspeptic patients; and the Toronto Globe of 29th Sept., 1885, states that one of the strongest men in the world is the Chilean miner, who lives principally on the Lentil, the cheapest and most nutritious food known for its weight. A very fine kind of Asiatic Lentil, known as "Dal," has lately been introduced into Canada from India by Major-General Poes, and is procurable at the Himalayan Tea Office, 58 Church St., and from Henry Lindsay, 60 King St. West.*

GRAND COLONIAL EXHIBITION

IN

LONDON, ENGLAND, 1886.

—O—

FIFTY-FOUR THOUSAND FEET RESERVED FOR CANADA.

—O—

First Royal Exhibition Commission Since 1862.

—O—

THE COLONIAL AND INDIAN EXHIBITION, to be held in LONDON, ENGLAND, commencing MAY 1st, 1886, is intended to be on a scale of great magnitude, having for object to mark an epoch in the relations of all the parts of the British Empire with each other.

In order to give becoming significance to the event, a Royal Commission is issued for the holding of this Exhibition, for the first time since 1862, and His Royal Highness the Prince of Wales has been appointed President by Her Majesty.

The very large space of 54,000 square feet has been allotted to the Dominion of Canada, by command of the President, His Royal Highness.

This Exhibition is to be purely Colonial and Indian, and no competition from the United Kingdom or from foreign nations will be permitted, the object being to exhibit to the world at large what the Colonies can do.

The grandest opportunity ever offered to Canada is thus afforded to show the distinguished place she occupies, by the progress she has made in Agriculture, in Horticulture, in the Industrial and Fine Arts, in the Manufacturing Industries, in the Newest Improvements in Manufacturing Machinery and Implements, in Public Works by Models and Designs; also in an adequate display of her vast resources in the Fish-ries, and in Forest and Mineral wealth, and also in Shipping.

All Canadians of all parties and classes are invited to come forward and vie with each other in endeavouring on this great occasion to put Canada in her true place as the premier colony of the British Empire, and to establish her proper position before the world.

Every farmer, every producer, and every manufacturer, has interest in assisting, it having been already demonstrated that extension of trade always follows such efforts.

By order,

JOHN LOWE,

Sec. of the Dept. of Agriculture.

OTTAWA, 1st Sept., 1885.
