MAY 3rd, 1888.

GENTLEMEN,—I have no hesitation in recommending **ST. LEON SUPERIOR** to any other mineral water known to me (not excepting the celebrated Waukesha, of Wisconsin, and the Carlsbad, of Germany,) as a remedy for the uric acid diathesis (gout and rheumatism) and diseases of the kidneys, including diabetes, melitus and Bright's disease, when freely used. To persons in health it is an excellent regulator and health preservative, as well as an agreeable beverage

Announcement Extraordinary.

Our having commissioned so distinguished an etcher as Rajon to etch a plate expressly for THE STUDIO, has created considerable comment and speculation as to the nature of the subject. The inquiries for information continue to pour in from all over the country and abroad. The interest shown in this distinguished artist's etching has been so widespread, and as the subject will be of such great importance, to create a sensation in this country and abroad when published, we have decided to print 500 India Proofs, before lettering, to be sold by subscription at \$5.00 each up to the day of publication, when the price will be increased. A magnificent work of art is promised. Copies of THE STUDIO, complete, with Rajon etching, 50 cents each. Books are now open to receive advance orders. Order now to secure one.

The price for single numbers of THE STUDIO complete, with all etchings, is 20 cents a copy and can be supplied by all art, book, and newsdealers. Ask to see a copy. Address all communications to
