

## Real Swiss Embroideries

**D**IRECT from the home of fine Embroideries, St. Gall, Switzerland, came this last lot of beautiful things.

Embroideries of every line—and price; but principally dainty, high-class stylish goods—make up the shipment.

Not “how cheap,” but “how good,” and “how pretty” has been our aim.

Come in and tell us whether we've succeeded.

**Moore & McLeod.**
