

To achieve these foreign policy objectives, we agree to establish a flexible framework for consultation and co-operation, to include:

Ministerial meetings at least once a year to review progress, set priorities and impart direction.

Bilateral teams to develop and implement joint ministerial initiatives.

Meetings to be held alternately in Norway and Canada or, where convenient, on the margins of international meetings.

In pursuing these goals, we will seek the advice and involvement of civil society and relevant international bodies.

Using the bilateral co-operation framework as a basis, we intend, where practicable, to involve other countries as well.
