

3. On which of these ships are motor vehicles transported (a) by being hoisted on and off (b) by being driven on and off?

No. 577—*Mr. Nielsen*

1. (a) What is the name of the person appointed under the provisions of S.3(1) of the Bankruptcy Act as the Superintendent of Bankruptcy and when was he appointed (b) what is the name of the previous Superintendent of Bankruptcy, and between what dates did he hold the office and why did he cease to hold office?

2. (a) What are the names of those licensed as Trustees under the provisions of S.3(3) (a) of the Bankruptcy Act in the following areas: Vancouver B.C.; Edmonton, Alberta; Montreal, Quebec; Toronto, Ontario; Hamilton, Ontario; (b) when were the Trustees appointed in the foregoing instances and, in each case, has a guaranty bond been deposited under the provisions of S.3(3) (c) of the Bankruptcy Act and in what amount?

3. (a) What complaints and by whom have such been made with respect to estates in each of the areas in 2(a) above during the term of the license of each of the foregoing Trustees (b) what was the nature of each such complaint (c) by and to whom was each such complaint made (d) when was each such complaint made (e) in each case what action, if any, was taken on such complaint?

4. (a) In the event investigations were conducted in any of the cases in 3 above, when was each investigation commenced and when was each concluded (b) in each case what was the result and the action taken, if any?

No. 846—*Mr. Orlikow*

1. What contribution has the C.N.R. made every year to each of the C.N.R. pension plans since the plans began and what was the actual date that each contribution was made?

2. What contributions have C.N.R. employees made every year to each of the C.N.R. pension plans since the plans began?

3. What were the total benefits paid out by the C.N.R. pension plans by year and by plan?

4. What amounts were borrowed from the C.N.R. pension plan funds by the company, what was the actual date of these loans, on what dates were these repaid, and what interest was paid on these loans in percentage figures and in actual dollars?

5. Where are the pension funds invested, what amounts are invested, what dates were these investments made, what earnings have these investments made in each year as shown by percentage figures and actual dollars, and on what dates were these investments liquidated?

6. How much money is in the C.N.R. pension fund and where is this money—in cash, investments, loans to the C.N.R., or elsewhere, specifically?

7. Does the new C.N.R. pension plan provide a reduction in the contribution rate of C.N.R. employees and, if so, by how much?

8. Does the new C.N.R. pension plan provide for reduced benefit rates for future C.N.R. pensioners and, if so, by how much?

9. Will this new plan mean that a surplus will be generated in the C.N.R. pension fund when the plan stabilizes and if this happens, is it proposed to
