

December 10th, 1931.

Canon James E. Fee, M.A.,  
Rector,  
Montreal High School,  
University Street,  
MONTREAL.

Dear Canon Fee:-

The very valuable aid and co-operation which the boys in the Montreal High School have been rendering Mr. Webster in connection with one of our research projects has been brought to my notice.

May I take this opportunity of thanking you for your aid, and the boys of Grade VIII for the sacrifice both of time and energy they are making? They are making a contribution not merely to the research work of McGill University, but to the communal welfare of Montreal.

I would like to assure them of our appreciation, and that they have my continued interest in seeing the successful conclusion of this work.

Yours faithfully,

Principal.
