

JOSHUA OLDHAM & SONS

ESTABLISHED 1870

NEW YORK SAW WORKS

**The Oldham
Saw &
Sawmills**

THE BANDSAW BLADE

as predicted by us thirty years ago has become

THE MAINSPRING OF THE MILL

Later we wrote: "The spring of a watch is not more delicate in degree, or more sensitive in its working than a band-saw blade" With the above in view we have devoted painstaking care to make **THE BEST. THE TEST** of time has established **THE FACT.** The saws in their

work speak for themselves and
SING A SONG

**OF
SUCCESSFUL
LUMBER PRODUCTION**
