 ALONZO W. SPOONER, Port Hope.

Dear Sir,—I am pleased to say that after nearly three years constant use, day and night, on our largest engine your COPPERINE has stood its work well. I have not had to renew any of the heavy bearings yet, so I consider that speaks for itself. I am pleased to recommend it to any one in need of metal to stand heavy work.

I remain, yours truly,
J. C. FERGUSON, Chief Engineer,
