Gross tonnage	51,840,000
Total Gross Tonnage.....	1,141,440,000

After his work for the year, the writer congratulates you on the superb property you hold, and leaves it for you to finance, organize and bring to a most successful going concern, one paying ample dividends.

RONALD C. CAMPBELL-JOHNSTON,
Mining and Metallurgical Engineer.

Vancouver, B.C., November, 1911.
