Russian Holders of Wheat. The Odessa correspondent of The Liverpool Corn Trade News writes: Sellers are sitting on their stocks with wonderful tenacity. In the natural course of events there must be business doing shortly, as a great deal of our grain in depot, even on lighters, dates from September, and in surance, interest, etc., are no cheap items, reckoned up after several months.

Condition of Wheat Crops. The Liverpool Corn Trade News, Jan. 17, reports: United Kingdom-The land everywhere

must now be completely saturated, and a change to real wintry weather is much to be desired. be destred.

France-The wheat plant is getting long in the straw, and less able to stand any change of temperature; also weeds are too much in evidence. However, the actual condition of the young crop is all right, and with a change of temperature and moderate frosts, complaints would soon-cease.

Russia—In the extreme south there have been sharp frosts, without snow, but in the interior heavy falls of snow were reported.

Austria-Hungary—The weather is mild. No complaints are made as to the crop conditions.

loads of exporters offered, but the bulk of the fat cattle came forward in mixed loads. Choice loads of heavy exporters sold at \$4.50 to \$4.75, with odd picked lots of twos and threes at 10c to 15c per cwt., in ad-vance of these prices. Light exporters sold at \$4.30 to \$4.50 per cwt.

Export Bulls—Choice heavy bulls of good quality sold at \$3.60 to \$4; bulls, light and medium, at \$3.37½ to \$3.50 per cwt. medium, at \$3.37½ to \$3.00 per cwi.

Loads of good butchers and exporters, mixed, sold at \$3.85 to \$4.12½ per cwt.

Choice picked lots of butchers' cattle, equal in quality to the best exporters, weighing from 1050 to 1150 lbs. each, sold at \$3.95 to \$4.20.

Loads of good butchers' cattle sold at \$3.65 to \$3.50, and medium at \$3.35 to \$3.50 per cwt.

sneep—About 400 came in. Iswes sold at \$3 to \$3.25, and bucks at \$2.50 to \$2.75 per cwt.

Lambs—Yearling lambs were firm, at \$4.25 to \$4.40 per cwt. the latter price being for exporters, averaging not less than 100 lbs. each.

Hogs—Deliveries continue to be light—prices unchanged at \$4.25 to \$4.37½ for choice, select bacon hogs, weighing from 160 to 200 lbs.; light hogs, \$4 to \$4.20; thick fats, \$3.75 per cwt.

There were only about 500 hogs delivered to-day, many of the deovers doing nothing in this line. Upon being asked why they had out in dealing in hogs, they answered that it was because they had lost money. On account of the pork packers changing the standards, as well as prices so often, it was impossible to do any business, and make any money.

The majority of the drovers consider that the culling business has been carried too far, and there is little doubt but they are right. If the packers would adopt a certain standard, and pay a reasonably steady price, it would be better for all concerned.
