Murder Made a Successful Application Yesterday Afternoon.

Piles is a tedious and persistent disease, which wears out the patience of its victims. It has several forms of torture.

Sometimes it's a maddening itching sensation. At other times it's a knot of acting tumors, highly inflamed.

The only way to cure the disease permanently is to use a remedy that has the power to permeate through the delicate membranes and tissues and remove all traces of inflammation.

The Pyramide Pile Cure possesses this power to perfection. It is formulated on scientific principles by specialists who understand the nature of the disease thoroughly.

Styles That Sell at \$1.25 to \$2.50, Monday the Choice at, each

The price is startling enough, but it's not the only attractive feature about this shirt waist offering. There's the elegance of style and wonderful variety of fresh, beautiful patterns to be considered. These points are fully as important as the price littleness. We've good reason to be proud of this shirt waist offering, because it's a collection of the most exquisite styles we've ever had the pleasure of showing. You'll wonder why we enthuse so much and then be willing to sell the waists at the ridiculous fifty cent price, but you know our way. It isn't by what they're worth that we're guided, but what we can sell at. If the manufacturer is willing to lose a dollar to two dollars on each waist we turn the advantage over to you, preferring this to holding the goods for an extra profit—had to promise, however, that we wouldn't advertise the maker's name in this case—would burt his business, he thought, to have us tell about selling his regular dollar twenty-five to two-fifty waists for fifty cents each; but you'll see the brand when you buy. Every waist bears a trade mark that you'll recognize as the property of an American manufacturer of world-wide reputation. Another point—our window display—we've never made a better showing, never had as good waists grouped together for a fifty cent sale—it's really a marvelous collection of the season's daintiest styles. Here are partial details, about 500 dozens in the offering:

Women's Lovely Shirt Waists, of fine imported percales, in broad stylish stripes of pink, oxblood, porcelain blue, mauve and black with alternating white, dainty percales with narrow stripes of pink, blue or mauve and white, regular \$1.25 and \$1.50. Silk Mixed Oxford Waists, in checks and stripes of pink and white, blue and white, mauve and white, regular \$2.00 to \$2.50 each. Fancy Checked Zephyrs, with silk mixture, new pinks, blues and mauve with white, regular \$2.25. A rare collection of dainty and very clear looking black and white and white and black percales, regular \$1.25 and \$1.50.
