Pulmo is the most recent offering of German scientists for the complete eradication of the great white plague, and has reached an immense white pingue, and has reached an immeasale in European countries, and is also in great demand in Canada and the Unite States. So far, it has met with unqualified success in thousands of cases of consumption and pulmonary disease. The general public will thus be enable to obtain "trial" bottles for a limite time at fifteen cents each. These may be obtained at all the leading drug stores in Canada, or, if preferred, will be sen direct from the offices of the Pulmo Company, Adelaide-street West, Toronto, Note,—Druggists in Canada who manhave been omitted in the general is should at once communicate without de lay, as the supply will be limited, and the demand for a fifteen-cent size will un doubtedly meet with popular favor from sufferers in every part of the country.
