Bell Telephone Bill Given a Second Reading in Senate.

Ottawa, April 3.—The Senate to-day resumed its session after the Easter recess with a fair attendance. The chief item on the day's program was the second reading of the Bell Telephone Bill, by which the company seeks to increase its capital stock to \$10,000,000. This was moved by Senator Kirchhoffer, and was strongly opposed by Senator Kirchhoffer, and was strongly opposed by Senator Miller. However, the bill was read a second time and sent to the Railway Committee.

How Deploy were too day if I cannot say. Things were so badly mixed up that it was very hard to decide whether Manitoba really wanted prohibition or not. Now we know and know how to act."

Sentiment Against Act.
Hon. Mr. Davidson says: "The sentiment seems to be strongly opposed to the act, judging by the result of yesterday's vote, so far as we have heard. The bad state of the roads no doubt kept many away from the polls on both sides. I voted from my home at Neelaway. There everything was carried on quietly. I found the temperance and sent to the Railway Committee.

How Deploy were a second time of the Stone and the state of the negotiations that I may, in a general way, state the terms as now expected to be offered to the stock-holders. A little later The Dominion Coal Company will be leased to the Dominion Iron and Steel Company on a basis of 8 per cent. The preferred stock and bonds of the Coal Company will be retired by an issue of \$6,000,000 5 per cent. bonds, which bonds will have a sinking fund of \$75,000 a year. It is estimated, from the present business, that the earnings of the Coal Company will be \$2,350.

Odo which is sufficient to pay the interest of the new Coal bonds, the \$75,000 and send the temperance of the second time of the stock and bonds of the Coal Company will be \$2,350.
