A resolution, proposed by the mayor and carried unanimously, to petition the provincial legislature at its next sitting to have the Town of Toronto Junction incorporated as a city, and to change the name to that of "West Toronto," was carried. In proposing the name Mayor Baird said that it seemed to him that West Toronto would be the most suitable, as it would be similar to the names of the other progressive suburbs of this city. As the city of Toronto was of world-wide reputation, Councillor Veal supported the mayor in preserving the name of the city in its western suburb, and the other members of council were heartily in accord with the idea. WHO WILL BE WARDEN? Contest This Year Promises to Be a Triangular One.

One of the most momentous ques-tions agitating at present the minds of the municipal fathers of York County is with respect to the warden-

who will be warden for 1908?

Joseph Hartman of Whitchurch was

Whitchurch.
In the present contest three candidates are definitely in the field.
They are George S. Henry, Reeve of York Township; Wm. Keith, reeve of Newmarket, and John Gardhouse, reeve of Etoblooke Township. All are young men, and Reeves Henry, and Gardhouse have been for some years in municipal life.

As reeve of York Township Mr Henry has shown marked ability, and his election this year by acclamation was a well-deserved tribute to an efficient representative and his colleagues. Reeve Keith of Newmarket has been in municipal life one year, and is

personally very popular.

The political complexion of the incoming county council is said to be Conservative by a small majority, but party lines have not hitherto, nor likely to play a prominent part in the selection of warden.
The county council will meet Tuesday, Jan. 28.
