Leafs Take Birds' Measure In First Game of Series

Twelve in Row for Giants Rain on Johnson Circuit

DUNNIE'S BIRDS GET BEATING FROM LEAFS

Truesdale Made a Mistake and Was Punished—McTigue Pitched Good Ball.

Jack Dunn and his high-class ball club got a 4-to-1 lacing from the Leafs yesterday, but it will be a costly victory. The locals will likely be without the services of Frank Truesdale for a week—and rightly so. Morrisette, who was slated to do the pitching for the Birds, had Frank as his first opponent. The Baltimore flinger was wild as a hawk, and his first ball went straight for the Toronto player's head. The second one hit Truesdale, and he walked part of the way to the box, and ran the rest, aiming two healthy swats at Morrisette. They were soon separated, and both banished from the game.

Truesdale made a mistake, for it was apparent to all that the Baltimore pitcher had no grievance against Frank, and it was simply wildness. The action worked a hardship on Jack Dunn, as under the rules both men had to be banished, and only the Toronto player was at fault. It is expected that President Barrow will fine and suspend Truesdale as soon as he receives the umpire's report.

It was a smart game of ball, with the Leafs showing much the better. Knowlson went to the mound when Morrisette was put out of the game, and he was anything but steady to start off with. The Leafs rushed over three runs in the first innings, and these were enough to win for them. Manager Birmingham subbed for Truesdale at second, and made a good job of it.

McTigue struck out eight men, and it was not until the closing innings that he loosened up to any extent. The Birds scored their only run in the ninth.

Birmingham ran for Truesdale in the first, and Blackburne also became a baserunner when Russell let a throw get away from him. Burch was out, but two walks forced in a run, and then Thompson dropped a hit into right field to score two more. A wild pitch let the Leafs' other run across in the third.

Fewster, a pinch hitter, got a single in the ninth, and came home when Birmingham booted Bates' roller.

ALL GAMES POSTPONED IN AMERICAN LEAGUE.

Yesterday's fistic exhibition at the island was a regrettable affair. Frank Truesdale, always a well-behaved player, lost his head and attempted to punch Pitcher Morrisette. Lost his head—that explains it. Frank expressed his regrets after the game, and it must be looked upon as an accident. It is sure that it will be the last time that the popular second-baseman will attempt such a thing. He has learned a lesson, and will continue, as he has in the past, to be a model ball player.

All the American League games scheduled for yesterday were postponed on account of rain.

The Cardinals came to life, ending their long losing slump by downing the Braves.

Billy Smith and his Richmond outfit had eleven innings of hard batting before they got the decision over the Hustlers.

Schulte is far from being done. The great slugger supplied his special, a homer, with two on base, and the Cubs beat the Phillies.

The Newark Indians were shunted out of first place when the Blooms trounced them soundly. Newark's errors were responsible for the defeat.

Jeff Pfeffer only gave the Pirates two hits, and the Dodgers just breezed home.

The Giants are going yet. It was 12 straight when they downed the Reds yesterday. New York used three pitchers, and had to call on Matty to save the situation.

INTER-CITY SOCCER TODAY AT VARSITY

All roads will lead to Varsity Stadium today when the first of the home and home inter-city games between Montreal and Toronto will be staged. The Montreal team arrives this morning and will put up at the Carls-Rite Hotel, when they will be the guests of the T. & D. F.A. A keen struggle is anticipated, as the teams selected are composed of the finest players in the game. Montreal are keen on winning as they figure if they get the lead here they can hold it in Montreal on July 1. The Toronto boys are equally confident, and with both teams out to do their best some good soccer will be served. Lt.-Col. Greer will kick off sharp at 3 p.m.

Central Life Savers Made Splendid Showing

In the life-saving pentathlon in connection with the International Y.M.C.A. of North America, the Toronto Central Swimming Club got second place in Class A section. Considering the fact that the pentathlon was a new departure in the swimming world, and the local club was up against the crack organizations on the other side, the showing is exceptionally fine.

The competition was won by Chicago Central, with a score of 11,523 points, Toronto Central were second, with 7,772, and Boston, Mass., third, with 7652. The highest individual score was made by H. Kruger of Honolulu, who scored 2538 points. Arnold Reade, the Toronto Central swimmer, was second, with 2155, and S. H. Gooday of Ottawa was third, with 2024 points.

The next big item in the swimming world is the tost for the Darnell Challenge Cup, the blue ribbon of swimming and life-saving in Canada. The cup has to be competed for annually between the various branches of the R.L.S.S. in Canada, and the Ontario branch intend to bring the cup to Toronto this year. The team is made up of eight gentlemen and four ladies. Miss M. Pickard has charge of the ladies, and the eight gentlemen will be selected from the various swimming organizations in the city.

SETTLEMENT REACHED IN CASE AGAINST C. P. R.

Counsel for James B. Dunlap, England, Brings About Satisfactory Agreement.

Satisfactory agreement was reached by counsel and litigants yesterday in the case of James B. Dunlap, of Buckinghamshire, England, against the C.P.R., involving an amount of money estimated at $500,000 in the non-jury assizes court, before Justice Sutherland. With trial unnecessary it was decided that each of the parties would pay their own court costs.

The plaintiff claimed the value of 10 per cent. of the assets of the Great North-Western Central Railway, which he contended was due him as an additional consideration to the $550,000 paid him by the Canadian Pacific Co., after it had purchased the capital stock of the company from him in 1898.

Mr. Dunlap named the two railway companies and Sir Thomas Shaughnessy and Richard B. Angus, a director, as defendants.

Details of the settlement were not made public.
