present temperance situation in and the counsels of eminent with regard to all legal asf the question. collowing resolution was drawn

d unanimously passed: olved, that this meeting, after consideration to the legal opin-ubmitted, and having before it atement of the provincial as publised in this morning's ecommend the executive of the board of evangelism and soice to render every assistance the immediate submission of erendum as provided in amend-to the Canada temperance act, at the 1919 session of the ment of Canada."

the afternoon the executive of general board held a meeting and n gave careful consideration to y aspects of the question.

That, having considered the mmendation of the morning's ing this executive hereby records oval thereof and directs our gensecretary to notify the governate of Ontario, the referendum competend the Dominion Alliance. We have appoint the following persons epresent this board upon the endum: Albert Moore, D.D.;

W. D. Creighton, D.D.;

W. D. Creighton, D.D.; J. A. Long, Ph.D.; Mr. Oliver lwood; Mr. J. O. McCarthy."

## CITY HALL NOTES

the city council can see eye to eye with the heads of civic departments. 8740 employes of the city are due for an increase in salary of twenty per cent. This increase, amounting in the aggregate to \$990,372, was recom-mended to the board of control at yesmorning's session by the de-ent heads, who have been giving latter earnest consideration for a mber of months. In addition to this per cent, raise an additional inis recommended for 50 or more over who are said to have earn-

Fifty-seven per cent. of the em-ployes recommended for this increase getting only \$1248 a year. twenty per cent., it is under-includes all the outside employes as well as those in the city hall, and is to be an increase, and not

If the raise is granted the total will be equivalent to about one mill and half on the tax rate.

Decision was deferred with regard is an appeal for a civic grant of 1800 by the Ontario Safety League. R. S. Morley, appearing for the league. stated that the half of this amount was needed for an intensive safety week campaign, starting May 16.

A civic grant of \$10.000 was sug-sested by H. W. Harper for the In-ternational Machinists' Association executive conference, which it is proconference, which it is proposed will be held in Toronto in Sep-tember. Mr. Harper asked that the city invite the association here. The trant will be considered.

## An Appealing Price

## Taffeta Frocks for Spring \$39.50

Price, however, is by no means the sole appeal—materials are right and styles are correct and very new.

One charming model, for instance, boasts the very smart torpedo pleating down the sides of the skirt, while another shows the much-favored accordion-pleated skirt. Among the many attractive models one notices the effectively skilful use of beading and embroidery. Colors are Black, Brown, Navy, French Blue, Amethyst and Sand. Exceptionally good value for today.

Misses' Shop-Second Floor.

## Gingham Frocks for the Juvenile

Gingham, if possible, will be more favored than ever and consequently higher priced. Hence this special selling or smart gingham frocks should prove very popular. In two groups:

One style is in checked gingham with collar and belt of plain chambray, or in Brown and White check gingham with White organdy collar finished with narrow pleating. Sizes 12 to 14 years. Regularly \$6.00. \$4.95 In the second group are frocks of striped Blue and Tan gingham, with plain Blue collar and cuffs scalloped at the edges. The same model also comes in pink. Specially
