

NOTICE.

GOD SAVE THE KING. FOR HIS MAJESTY WILLIAM THE FOURTH.

God save our gracious King, William our noble King; God save the King; Send him victorious, Happy and glorious, Long to reign over us; God save the King.

Thy choicest gifts in store On William do we pour, Long may he reign; May he defend our laws! And ever give us cause To sing with heart and voice God save the King.

Additional Verse for the King's Birth-Day.

May every kinder ray, O'er William's natal day New glories bring; William, his people's friend, Oh! may his name extend— Wisdom and virtue blend— God save the King!

Choice of Colors.—The greatest beauty in female dress is that which is most simple, and at the same time gracefully adapted to exhibit the natural beauty of the female form.

THE WORD "GENTLEMAN"—In the course of a casual and brief discussion on the presentation of a petition relative to the Irish poor laws, the venerable Earl of Eldon observed that "he had been studying terms for upwards of fifty years, and he had never met with any body who could give him the proper construction of the word 'gentleman'."

INTRODUCTION OF RICE INTO AMERICA.—Martin states, in his history of North Carolina, that the planting of Rice was commenced in this country, in the year 1693, as follows:—A brig from Madagascar, on her way to England, came to anchor off Sullivan's Island.

The idea of a tunnel under a river may be found in Diogenes Laertius, book 11, chap. 8, where the following passage occurs:—"In the least elevated part of Babylon they dug a square basin, each wall of which, constructed of brick and plastered with bitumen, was 300 stadia in length and 35 feet deep."

HYACINTHS.—On the road from Leyden to Haarlem, may be seen upwards of one hundred acres of hyacinths in bloom.
